

# Motiva Implants® Warranties

Thank you for choosing

Welcome to the Motiva Family! We want to support you in every step of your patient journey and give you the utmost confidence in your decision to choose Motiva Implants®.

All of our implants are covered against rupture by the Always Confident Warranty®, for the lifetime of the device and by our Product Replacement Policy against capsular contracture, Baker grades III & IV for a period of 10 years.

Furthermore, we offer our Motiva Extended Warranty Programs, which you may decide to participate according to your personal case.

With the extended warranty program, in addition to the replacement product, these programs will support you with financial assistance for each affected implant, applicable to the cost of the revision surgery in the event of a warranty claim for rupture or capsular contracture Baker grades III and IV.

Be Confident.. You have Motiva!!
